Resume
Submit a one or two-page summary of your education skills, accomplishments, employment experience and volunteer experience. The resume must be current and include all part-time and full-time work experience.

Statement of Purpose
Submit an essay (1,000 words) describing your academic and professional background, career goals, and how the program will help you achieve them. Your essay should contain only true information in your own original writing. If you include a quote or text written by any other person or published in any printed or online format, you must surround the copied text in quotation marks (*) and indicate the original sources of text.

2 Letters of Recommendation
Recommendations should be provided from employers, supervisors, professors, or others who can comment on your professional, educational goals and potential. Details of the recommenders must be entered into the online application system. They will be contacted directly via email providing them with instructions on how to submit.

Standardised Test Score
The CMU Australia Institutional Math's Online Test (IMOT) is available as a substitute for GRE and GMAT. The free 2-hour test contains 50 groups of multiple-choice questions covering basic algebra, calculus and statistics. The test can only be taken once and you must achieve a minimum score of 80%. The test will be conducted and supervised online and applicants will be advised on timeframe of the test date.
