To respond to your offer of admission, please download the Written Agreement by clicking [here](#) and return the completed form to the Admissions Office by the ?. Verification Requirement for all Enrolling Students

We are committed to ensuring the integrity of our admissions process and the reputation of our educational programs. We also want to protect and enhance the value of the degrees that we confer. The purpose of the background check is to protect all stakeholders of our programs (students, faculty, staff and alumni) from those who would falsify their backgrounds to gain an unfair

advantage in the admissions process. We have made the decision to implement an independent verification process of all application materials for any master's student enrolling in the Heinz College. We believe that this verification will support our efforts to ensure integrity throughout the Program. This is a straight forward process supplied by an external provider. Upon admission, you will receive more details. The cost for this will be met by the Student.

Tuition Deposit Payment and Confirmation of Enrollment (CoE)

Payment of your tuition deposit and Overseas Student Health Cover (if arranged by Carnegie Mellon University Australia) needs to be made to accept your offer of admission. The amount to be paid will be:

Once your tuition deposit has been received, you will be issued with a Confirmation of Enrolment (CoE) document so you can begin the student visa application process.

Orientation and enrolment information will be provided to you prior to arrival in Adelaide.

Carnegie Mellon's faculty and administration join me in congratulating you on your admission and we look forward to welcoming you to our campus in Adelaide. If you have any questions or concerns, please do not hesitate to contact our Admissions Office by email at admissions@cmu.edu.au.
